

AllJoyn Application

```
graph TD; subgraph AllJoyn_Application [AllJoyn Application]; App_Codes[App Codes]; AllJoyn_Service_Frameworks_Libraries[AllJoyn Service Frameworks Libraries]; AllJoyn_Core_Libraries[AllJoyn Core Libraries]; end; AllJoyn_Application --- AllJoyn_Router[AllJoyn Router];
```

The diagram illustrates the AllJoyn Application architecture. It consists of a large light blue container labeled 'AllJoyn Application'. Inside this container, there are three smaller, stacked light blue boxes. The top box is labeled 'App Codes', the middle box is labeled 'AllJoyn Service Frameworks Libraries', and the bottom box is labeled 'AllJoyn Core Libraries'. Below the 'AllJoyn Application' container is a separate, larger yellow box labeled 'AllJoyn Router'.
